➤ CHECK POINT LABELLING

WARNING

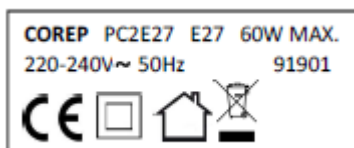

The durability of the marking is checked by trying to remove it by rubbing lightly for 15 s with a piece of cloth soaked with water and, after drying, for a further 15 s with a piece of cloth soaked with petroleum spirit.

The height of graphical symbols shall not be less than **5.5 mm** except that the symbols for class II and class III luminaires may be reduced to a minimum of 3 mm where the space available for marking is restricted. The height of letters and numerals either shown separately or with or as part of symbols shall not be less than **2.5 mm**.

RECYCLAGE
Produit soumis à la directive européenne 2012/19/UE : les produits électriques, électroniques, batteries et accumulateurs doivent faire l'objet d'un tri sélectif. Veuillez à déposer votre produit hors d'usage dans une poubelle appropriée, ou le restituer dans un point de collecte. Les collectivités ou les revendeurs vous communiqueront toutes les informations concernant l'élimination de votre ancien produit. Ne pas mettre au rebut avec vos déchets ménagers permet de protéger l'environnement et la santé

RECYCLING
Product subject to European Directive 2012/19 / EU: electrical, electronic products, batteries and accumulators must be subject to selective sorting. Be sure to put your product out of use in an appropriate bin, or return it to a collection point. Local authorities or resellers will provide you with all the information regarding the disposal of your old product. Not disposing of it with your household waste can protect the environment and human health

RECICLAJE
Producto sujeto a la Directiva Europea 2012/19 / UE: los productos eléctricos, electrónicos, baterías y acumuladores deben estar sujetos a clasificación selectiva. Asegúrese de dejar su producto fuera de uso en un contenedor apropiado o devolverlo a un punto de recolección. Las autoridades locales o los revendedores le proporcionarán toda la información sobre la eliminación de su producto anterior. No desechar con la basura doméstica puede proteger el medio ambiente y la salud

RECYCLING
Produkt, das der europäischen Richtlinie 2012/19 / EU unterliegt: Elektrische, elektronische Produkte, Batterien und Akkumulatoren müssen selektiv sortiert werden. Stellen Sie sicher, dass Ihr Produkt nicht in einem geeigneten Behälter verwendet wird, oder bringen Sie es zu einer Sammelstelle zurück. Die örtlichen Behörden oder Wiederverkäufer stellen Ihnen alle Informationen zur Entsorgung Ihres alten Produkts zur Verfügung. Nicht mit dem Hausmüll entsorgen, da dies die Umwelt und die Gesundheit schützen kann

RACCOLTA DIFFERENZIATA
Prodotto soggetto alla Direttiva Europea 2012/19 / UE: prodotti elettrici, elettronici, batterie e accumulatori devono essere soggetti a selezione selettiva. Assicurati di mettere il prodotto fuori uso in un cestino appropriato o di restituirlo a un punto di raccolta. Le autorità o i rivenditori locali ti forniranno tutte le informazioni relative allo smaltimento del tuo vecchio prodotto. Non smaltire insieme ai rifiuti domestici può proteggere l'ambiente e la salute

RECLANDO
Produto sujeito à Diretiva Europeia 2012/19 / UE: produtos elétricos, eletrônicos, baterias e acumuladores devem estar sujeitos a triagem seletiva. Certifique-se de colocar o produto fora de uso em uma lixeira apropriada ou devolvê-lo a um ponto de coleta. As autoridades ou revendedores locais fornecerão todas as informações sobre o descarte do seu produto antigo. Não elimine com o lixo doméstico, pode proteger o meio ambiente e a saúde

ΑΝΑΚΥΚΛΩΣΗ
Προϊόν που υπακούει στην Ευρωπαϊκή Οδηγία 2012/19 / ΕΕ: τα ηλεκτρικά, ηλεκτρονικά προϊόντα, οι μπαταρίες και οι συσσωρευτές πρέπει να υποκείνται σε επιλεκτική ταξινόμηση. Φροντίστε να θέσετε το προϊόν σας εκτός χρήσης σε κατάλληλο κάδο ή να το επιστρέψετε σε σημείο συλλογής. Οι τοπικές αρχές ή οι μεταπωλητές θα σας παρέχουν όλες τις πληροφορίες σχετικά με τη διάθεση του παλιού σας προϊόντος. Μην απορρίπτετε με τα οικιακά σας απορρίμματα μπορεί να προστατίσει το περιβάλλον και την υγεία

RECYCLING
Product onderworpen aan de Europese richtlijn 2012/19 / EU: elektrische, elektronische producten, batterijen en accu's moeten selectief worden gesorteerd. Zorg ervoor dat u uw product niet gebruikt in een geschikte bak of breng het terug naar een inzameelpunt. Lokale autoriteiten of wiederverkopers zullen u alle informatie geven over de verwijdering van uw oude product. Gooi het niet weg met uw huishoudelijk afval dat het milieu en de gezondheid kan beschermen
